Ladies and Gentlemen:

WPC Eurobond B.V., a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated under the laws of the Netherlands (the “Company”), proposes to issue and sell to the several Underwriters listed in Schedule 1 hereto (the “Underwriters”), for whom you are acting as representatives (together, the “Representatives”), €500,000,000 principal amount of its 2.250% Senior Notes due 2026 (the “Notes”). The Notes will be issued pursuant to an Indenture, dated as of November 8, 2016 (the “Base Indenture”), among the Company, W.P. Carey Inc., a Maryland corporation (the “Guarantor”), and U.S. Bank National Association, as trustee (the “Trustee”), as amended by a Third Supplemental Indenture thereto, to be dated as of the Closing Date (the “Supplemental Indenture,” and together with the Base Indenture, the “Indenture”), among the Company, the Guarantor and the Trustee. The Company’s obligations in respect of the Notes will be unconditionally and irrevocably guaranteed (the “Guarantee”) by the Guarantor as more fully set forth in the Indenture and the Guarantee. The Notes and the Guarantee are collectively referred to in this Agreement as the “Securities”.

The Company, the Guarantor, Elavon Financial Services DAC, UK Branch and the Trustee will execute and deliver a Paying Agency Agreement to be dated as of the Closing Date (the “Paying Agency Agreement”), to appoint Elavon Financial Services DAC, UK Branch, as paying agent (the “Paying Agent”) and the Trustee as transfer agent and registrar with respect to the Notes.

The Notes will be issued in the form of a permanent global security (the “Global Security”) registered in the name of a nominee of a common safekeeper (“CSK”) located outside the United States for Clearstream Banking, S.A. (“Clearstream”), or Euroclear Bank SA/NV, as operator of the Euroclear System (“Euroclear”). The Global Security will be issued under the New Safekeeping Structure (“NSS”) and is intended to be held in a manner that would allow eligibility as collateral for Eurosystem intra-day credit and monetary policy operations. In connection with the issuance of the Notes, the Company will enter into an international central securities depositories agreement, to be dated as of the Closing Date (the “ICSD Agreement”), with Euroclear and Clearstream. The Notes will be issued in denominations of €100,000 and integral multiples of €1,000 in excess thereof.

The Guarantor and certain of its subsidiaries have entered into an agreement and plan of merger (the “Merger Agreement”) dated as of June 17, 2018, with Corporate Property Associates 17 — Global (“CPA:17 — Global”), a publicly held non-traded REIT, pursuant to which, subject to the satisfaction of the terms and conditions of the Merger Agreement, CPA:17 — Global will merge with and into one of the Guarantor’s subsidiaries (the “Proposed Merger”).

Each of the Company and the Guarantor hereby confirms its agreement with the several Underwriters concerning the purchase and sale of the Securities, as follows:

1. Registration Statement. Each of the Company and the Guarantor has prepared and filed with the Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended, and the rules and regulations of the Commission thereunder (collectively, the “Securities Act”), an automatic shelf registration statement on Form S-3 (File No. 333—214510), including a prospectus (the “Base Prospectus”), relating to the Securities. Such registration statement, including the information, if any, deemed pursuant to Rule 430A, 430B or 430C under the Securities Act to be part of the registration statement at the time of its effectiveness (“Rule 430 Information”), is referred to herein as the “Registration Statement”; the term “Preliminary Prospectus” means the preliminary prospectus supplement dated October 2, 2018 relating to

the Securities, together with the Base Prospectus; and the term “Prospectus” means the Base Prospectus and the prospectus supplement relating to the Securities in the form first used by the Underwriters (or made available upon request of purchasers pursuant to Rule 173 under the Securities Act) in connection with confirmation of sales of the Securities. Any reference in this Agreement to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act as of the effective date of the Registration Statement or the date of such Preliminary Prospectus or the Prospectus, as the case may be; and any reference to “amend,” “amendment” or “supplement” with respect to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include any documents filed after such date under the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Commission thereunder (collectively, the “Exchange Act”) that are deemed to be incorporated by reference therein. Capitalized terms used but not defined herein shall have the meanings given to such terms in the Registration Statement and the Prospectus.

At or prior to 5:25 P.M., London time on October 2, 2018, which is the time when sales of the Securities were first made (the “Time of Sale”), the Company and the Guarantor have

prepared the following information (collectively, the “Time of Sale Information”): the Preliminary Prospectus and each “free-writing prospectus” (as defined in Rule 405 under the Securities Act) listed in Annex A hereto.

2. Purchase of the Securities by the Underwriters.

(a) Each of the Company and the Guarantor agrees to issue and sell the Securities to the several Underwriters as provided in this Agreement, and each Underwriter, on the basis of the representations, warranties and agreements set forth herein and subject to the conditions set forth herein, agrees, severally and not jointly, to purchase from the Company and the Guarantor the respective principal amount of Securities set forth opposite such Underwriter’s name in Schedule 1 hereto at a price equal to 98.777% of the principal amount of the Notes. The Company and the Guarantor will not be obligated to deliver any of the Securities except upon payment for all the Securities to be purchased as provided herein.

(b) Each of the Company and the Guarantor understands that the Underwriters intend to make a public offering of the Securities as soon after the effectiveness of this Agreement as in the judgment of the Representatives is advisable, and initially to offer the Securities on the terms set forth in the Time of Sale Information. Each of the Company and the Guarantor acknowledges and agrees that the Underwriters may offer and sell Securities to or through any affiliate of an Underwriter and that any such affiliate may offer and sell Securities purchased by it to or through any Underwriter.

(c) Payment for and delivery of the Securities will be made at the offices of Sidley Austin LLP at 10:00 A.M., London time, on October 9, 2018, or at such other time or place on the same or such other date, not later than the fifth business day thereafter (subject to Section 10 herein), as the Representatives, the Company and the Guarantor may agree upon in writing. The time and date of such payment and delivery is referred to herein as the “Closing Date.”

(d) Payment for the Securities shall be made by wire transfer in immediately available funds to the common service provider (the “Common Service Provider”) for Euroclear and Clearstream, for the account of the Company against delivery to the Common Service Provider for the respective accounts of the Underwriters of the Global Security representing the Notes, with any transfer taxes payable in connection with the sale of the Securities duly paid, without duplication, by the Company and the Guarantor. The Global Security will be made available for inspection by the Company and the Guarantor not later than 1:00 P.M., London time, on the business day prior to the Closing Date.

(e) Each of the Company and the Guarantor acknowledges and agrees that each Underwriter is acting solely in the capacity of an arm’s length contractual counterparty to the Company and the Guarantor with respect to the offering of the Securities contemplated hereby (including in connection with determining the terms of such offering) and not as a financial advisor or a fiduciary to, or an agent of, the Company, the Guarantor or any other person. Additionally, neither the Representatives nor any other Underwriter are advising the Company, the Guarantor or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. Each of the Company and the Guarantor shall consult with its own advisors concerning such matters and shall be responsible for making its own independent

investigation and appraisal of the transactions contemplated hereby, and neither the Representatives nor any other Underwriter shall have any responsibility or liability to the Company or the Guarantor with respect thereto. Any review by the Representatives or any other Underwriter of the Company, the Guarantor, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Representatives or such Underwriter and shall not be on behalf of the Company, the Guarantor or any other person.

(uu) *Statistical and Market Data.* Nothing has come to the attention of the Guarantor and its subsidiaries (including the Company) that has caused the Guarantor or any of its subsidiaries to believe that the statistical and market-related data included or incorporated by reference in each of the Registration Statement, the Time of Sale Information and the Prospectus, or any amendment or supplement thereto, is not based on or derived from sources that are reliable and accurate in all material respects.

(vv) *Sarbanes-Oxley Act.* There is and has been no failure on the part of the Guarantor or the Company or any of their respective directors or officers, in their capacities as such, to comply in all material respects with any provision of the Sarbanes-Oxley Act of 2002, as amended, and the rules and regulations promulgated in connection therewith (the "Sarbanes-Oxley Act"), including Section 402 related to loans and Sections 302 and 906 related to certifications.

(ww) *Status under the Securities Act.* Neither the Company nor the Guarantor is an ineligible issuer and the Guarantor is a well-known seasoned issuer, in each case as defined under the Securities Act, in each case at the times specified in the Securities Act in connection with the offering of the Securities.

(xx) *REIT Qualification.* Commencing with its taxable year ended December 31, 2012, the Guarantor has been, and upon the sale of the Securities, the Guarantor will continue to be, organized and operated in conformity with the requirements for qualification and taxation as a real estate investment trust (a "REIT") under the Code, and the Guarantor's present and proposed method of operation as described in the Registration Statement, the Time of Sale

Information and the Prospectus will enable it to continue to meet the requirements for qualification and taxation as a REIT under the Code.

(yy) *Withholding Taxes.* Subject to the receipt of normal and customary certifications, all payments to be made by the Company or the Guarantor under this Agreement and, except as disclosed in the Registration Statement, the Time of Sale Information and the Prospectus, all interest, principal, premium, if any, additional amounts, if any, and other payments on or under the Securities will, under the current laws and regulations of the United States or any political subdivision or any authority or agency therein or thereof having power to tax, or of any other jurisdiction in which the Company or the Guarantor, as the case may be, is organized or is otherwise resident for tax purposes or any jurisdiction from or through which a payment is made (each, a “Relevant Taxing Jurisdiction”), be made free and clear of withholding tax.

(zz) *Stamp Taxes.* No stamp, issuance, transfer or other similar taxes or duties (“Stamp Taxes”) are payable by or on behalf of the Underwriters in any Relevant Taxing Jurisdiction on (i) the creation, issue or delivery by the Company of the Notes, (ii) the creation, issue or delivery by the Guarantor of the Guarantee, (iii) the purchase by the Underwriters of the Securities (including the Guarantee) in the manner contemplated by this Agreement, (iv) the resale and delivery by the Underwriters of the Securities (including the Guarantee) contemplated by this Agreement or (v) the execution and delivery of this Agreement and the other transaction documents and the consummation of the transactions contemplated hereby and thereby.

(aaa) *CPA:17 — Global Representations and Warranties.* To the knowledge of the Company, all representations and warranties made by CPA:17 — Global in the Merger Agreement are true and correct, except in each case where the failure to be so true and correct would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the consolidated financial position, shareholders’ equity or results of operations of the Guarantor and its subsidiaries, taken as a whole, assuming the consummation of the transactions contemplated by the Merger Agreement.

(bbb) *No Default of Merger Agreement.* To the knowledge of the Guarantor, no event or condition has occurred or exists that has terminated or would permit termination of the Merger Agreement and no change in the terms of the Proposed Merger or the Merger Agreement has occurred which, individually or in the aggregate, could reasonably be expected to have a material adverse effect on the consolidated financial position, shareholders’ equity or results of operations of the Guarantor and its subsidiaries, taken as a whole, assuming the consummation of the transactions contemplated by the Merger Agreement.

4. Further Agreements of the Company and the Guarantor. Each of the Company and the Guarantor covenants and agrees with each Underwriter that:

(a) *Required Filings.* The Company and the Guarantor will file the final Prospectus with the Commission within the time periods specified by Rule 424(b) and Rule 430A, 430B or 430C under the Securities Act and will file any Issuer Free Writing Prospectus (including the Pricing Term Sheet referred to in Annex A hereto) to the extent required by, and within the time period specified in, Rule 433 under the Securities Act; the Company and the Guarantor will file promptly all reports and any definitive proxy or information statements required to be filed by

the Company or the Guarantor with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act subsequent to the date of the Prospectus and for so long as the delivery of a prospectus is required in connection with the offering or sale of the Securities; and the Company and the Guarantor will furnish copies of the Prospectus and each Issuer Free Writing Prospectus (to the extent not previously delivered) to the Underwriters in London prior to 10:00 A.M., London time, on the second business day succeeding the date of this Agreement in such quantities as the Representatives may reasonably request. The Company and the Guarantor, without duplication, will pay the registration fees for the offering of the Securities within the time period required by Rule 456(b)(1)(i) under the Securities Act (without giving effect to the proviso therein) and in any event prior to the Closing Date.

(b) *Delivery of Copies.* The Company and the Guarantor will, at the request of any of the Representatives, deliver, without charge: (i) to the Representatives, two signed copies of the Registration Statement as originally filed and each amendment thereto, in each case including all exhibits and consents filed therewith and documents incorporated by reference therein; and (ii) to each Underwriter (A) a conformed copy of the Registration Statement as originally filed and each amendment thereto, in each case including all exhibits and consents filed therewith and (B) during the Prospectus Delivery Period (as defined below), as many copies of the Prospectus (including all amendments and supplements thereto and documents incorporated by reference therein) and each Issuer Free Writing Prospectus as the Representatives may reasonably request. As used herein, the term “Prospectus Delivery Period” means such period of time from, and including, the first date of the public offering of the Securities as in the opinion of counsel for the Underwriters a prospectus relating to the Securities is required by law to be delivered (or required to be delivered but for Rule 172 under the Securities Act) in connection with sales of the Securities by any Underwriter or dealer.

(c) *Amendments or Supplements; Issuer Free Writing Prospectuses.* Prior to the expiration of the Prospectus Delivery Period, before making, preparing, using, authorizing, approving, referring to or filing any Issuer Free Writing Prospectus, and before filing any amendment or supplement to the Registration Statement, the Time of Sale Information or the Prospectus, the Company and the Guarantor will furnish to the Representatives and counsel for the Underwriters a copy of the proposed Issuer Free Writing Prospectus, amendment or supplement for review and will not prepare, use, authorize, approve, refer to or file any such Issuer Free Writing Prospectus, amendment or supplement to which the Representatives reasonably object.

(d) *Notice to the Representatives.* The Company and the Guarantor will advise the Representatives promptly, and confirm such advice in writing: (i) when any amendment to the Registration Statement has been filed or becomes effective; (ii) when any supplement to the Prospectus or any amendment to the Prospectus or any Issuer Free Writing Prospectus has been filed or distributed; (iii) of any request by the Commission for any amendment to the Registration Statement, or any amendment or supplement to the Prospectus or the receipt of any comments from the Commission relating to the Registration Statement or any other request by the Commission for any additional information; (iv) of the issuance by the Commission of any order suspending the effectiveness of the Registration Statement or preventing or suspending the use of any Preliminary Prospectus or the Prospectus or the initiation or threatening of any proceeding for that purpose or pursuant to Section 8A of the Securities Act; (v) of the occurrence

of any event within the Prospectus Delivery Period as a result of which the Prospectus, the Time of Sale Information or any Issuer Free Writing Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances existing when the Prospectus, the Time of Sale Information or any such Issuer Free Writing Prospectus is delivered to a purchaser, not misleading; (vi) of the receipt by the Company or the Guarantor of any notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act; and (vii) of the receipt by the Company or the Guarantor of any notice with respect to any suspension of the qualification of any of the Securities for offer and sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and each of the Company and the Guarantor will use its commercially reasonable efforts to prevent the issuance of any such order suspending the effectiveness of the Registration Statement, preventing or suspending the use of any Preliminary Prospectus or the Prospectus or suspending any such qualification of the Securities and, if any such order is issued, will obtain as soon as possible the withdrawal thereof.

(e) *Time of Sale Information.* If during the Prospectus Delivery Period (i) any event shall occur or condition shall exist as a result of which the Time of Sale Information as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading or (ii) it is necessary to amend or supplement the Time of Sale Information to comply with law, the Company and the Guarantor will immediately notify the Underwriters thereof and forthwith prepare and, subject to paragraph (c) above, file with the Commission (to the extent required) and furnish to the Underwriters and to such dealers as the Representatives may designate, such amendments or supplements to the Time of Sale Information (or any document to be filed with the Commission and incorporated by reference therein) as may be necessary so that the statements in the Time of Sale Information as so amended or supplemented (including such documents to be incorporated by reference therein) will not, in the light of the circumstances under which they were made, be misleading or so that the Time of Sale Information will comply with law.

(f) *Ongoing Compliance.* If during the Prospectus Delivery Period (i) any event shall occur or condition shall exist as a result of which the Registration Statement or the Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances existing when it is delivered to a purchaser, not misleading or (ii) it is necessary to amend or supplement the Registration Statement or the Prospectus to comply with law, the Company and the Guarantor will immediately notify the Underwriters thereof and forthwith prepare and, subject to paragraph (c) above, file with the Commission and furnish to the Underwriters and to such dealers as the Representatives may designate, such amendments or supplements to the Registration Statement or the Prospectus (or any document to be filed with the Commission and incorporated by reference therein) as may be necessary so that the statements in the Registration Statement or the Prospectus as so amended or supplemented (including such documents to be incorporated by reference) will not, in light of the circumstances existing when it is delivered to a purchaser, be misleading or so that the Registration Statement or the Prospectus will comply with law.

(g) *Blue Sky Compliance.* The Company and the Guarantor will furnish such information as may be required and otherwise use its commercially reasonable efforts to cooperate in qualifying the Securities for offer and sale under the securities or Blue Sky laws of such jurisdictions as the Representatives shall reasonably request and will use its commercially reasonable efforts to maintain such qualifications in effect so long as required for distribution of the Securities; provided that neither the Company nor the Guarantor shall be required to (i) qualify as a foreign corporation or other entity, or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (ii) file any general consent to service of process in any such jurisdiction or (iii) subject itself to taxation in any such jurisdiction if it is not otherwise so subject.

(h) *Earning Statement.* The Guarantor will make generally available to its security holders and the Representatives (including, but not limited to, via public filing with the Commission) as soon as reasonably practicable, an earnings statement that satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 of the Commission promulgated thereunder covering a period of at least twelve months beginning with the first fiscal quarter of the Guarantor occurring after the “effective date” (as defined in Rule 158) of the Registration Statement.

(i) *Clear Market.* During the period from the date hereof through and including the date that is one day after the Closing Date, neither the Company nor the Guarantor will, without the prior written consent of the Representatives, offer, sell, contract to sell or otherwise dispose of any debt securities of the Company or the Guarantor having a tenor of more than one year or guarantee any debt securities having a tenor of more than one year.

(j) *Use of Proceeds.* The Company and the Guarantor will apply the net proceeds from the sale of the Securities as described in each of the Registration Statement, the Time of Sale Information and the Prospectus under the heading “Use of proceeds.” The Company and the Guarantor represent and covenant that, regardless of Sanctions, they will not, directly or indirectly, use the proceeds of the transaction, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person, to fund any activities of or business in or involving Cuba or Iran.

(k) *Clearance and Settlement.* The Company and the Guarantor will assist the Underwriters in arranging for the Securities to be eligible for clearance and settlement through the facilities of Clearstream and Euroclear.

(l) *Listing.* Each of the Company and the Guarantor will use its commercially reasonable efforts to cause the Notes to be listed for trading on the GEM as of the Closing Date, and, upon such listing, will use its best efforts to maintain such listing and satisfy the requirements for such continued listing.

(m) *Stabilization.* Each of the Company and the Guarantor hereby confirms the appointment of J.P. Morgan Securities plc in its role

as stabilizing manager (the “Stabilizing Manager”) as the central point responsible for adequate public disclosure of information, and handling any request from a competent authority, in accordance with Article 6(5) of Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016 supplementing Regulation (EU) No.

596/2014 of the European Parliament and of the Council with regard to regulatory technical standards for the conditions applicable to buy-back programmes and stabilization measures. The Stabilizing Manager for its own account may, to the extent permitted by applicable laws and directives, over-allot and effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail, but in doing so the Stabilizing Manager shall act as principal and not as agent of the Company or the Guarantor and any loss resulting from over-allotment and stabilization shall be borne, and any profit arising therefrom shall be beneficially retained, by the Stabilizing Manager. However, there is no assurance that the Stabilizing Manager (or persons acting on behalf of the Stabilizing Manager) will undertake any stabilization action. Nothing contained in this paragraph shall be construed so as to require the Company to issue, or the Guarantor to guarantee, in excess of €500,000,000 in aggregate principal amount of Notes. Such stabilization, if commenced, may be discontinued at any time and shall be conducted by the Stabilizing Manager in accordance with all applicable laws and directives. Neither the Company nor the Guarantor will take, directly or indirectly, any action designed to or that would reasonably be expected to cause or result in any stabilization or manipulation of the price of the Notes.

(n) *Record Retention.* Each of the Company and the Guarantor will, pursuant to reasonable procedures developed in good faith, retain copies of each Issuer Free Writing Prospectus that is not filed with the Commission in accordance with Rule 433 under the Securities Act.

(o) *REIT Qualification.* The Guarantor will use its commercially reasonable efforts to continue to meet the requirements for qualification as a REIT under the Code for each of its taxable years, for so long as the Board of Directors of the Guarantor deems it in the best interests of the Guarantor to remain so qualified.

5. Certain Agreements of the Underwriters. Each Underwriter hereby represents and agrees that:

(a) It has not used, authorized use of, referred to or participated in the planning for use of, and will not use, authorize use of, refer to, or participate in the planning for use of, any “free writing prospectus,” as defined in Rule 405 under the Securities Act (which term includes use of any written information furnished to the Commission by the Company or the Guarantor and not incorporated by reference into the Registration Statement and any press release issued by the Company or the Guarantor) other than (i) a free writing prospectus that, solely as a result of use by such Underwriter, would not trigger an obligation to file such free writing prospectus with the Commission pursuant to Rule 433, (ii) any Issuer Free Writing Prospectus listed in Annex A or prepared pursuant to Section 3(c) or Section 4(c) above (including any electronic road show), or (iii) any free writing prospectus prepared by such Underwriter and approved by the Company or the Guarantor in advance in writing. Notwithstanding the foregoing, the Underwriters may use the Pricing Term Sheet referred to in Annex A hereto without the consent of the Company or the Guarantor.

(b) It is not subject to any pending proceeding under Section 8A of the Securities Act with respect to the offering (and will promptly notify the Company and the Guarantor if any such proceeding against it is initiated during the Prospectus Delivery Period).

6. Conditions of Underwriters’ Obligations. The obligation of each Underwriter to purchase the Securities on the Closing Date as provided herein is subject to the performance by the Company and the Guarantor of their respective covenants and other obligations hereunder and to the following additional conditions:

(a) *Registration Compliance; No Stop Order.* No order suspending the effectiveness of the Registration Statement shall be in effect, and no proceeding for such purpose, pursuant to Rule 401(g)(2) or pursuant to Section 8A under the Securities Act shall be pending before or threatened by the Commission; no order preventing or suspending the use of any Preliminary Prospectus or the Prospectus has been issued by the Commission; the Prospectus and each Issuer Free Writing Prospectus shall have been timely filed with the Commission under the Securities Act (in the case of an Issuer Free Writing Prospectus, to the extent required by Rule 433 under the Securities Act) and in accordance with Section 4(a) hereof; and all requests by the Commission for additional information shall have been complied with to the reasonable satisfaction of the Representatives. The Company and the Guarantor shall have paid the required Commission filing fees relating to the Securities within the time period required by Rule 456(b)(1)(i) under the Securities Act (without regard to the proviso therein) and otherwise in accordance with Rules 456(b) and 457(r) under the Securities Act and, if applicable, shall have updated the “Calculation of Registration Fee” table in accordance with Rule 456(b)(1)(ii) either in a post-effective amendment to the Registration Statement or on the cover page of a prospectus filed pursuant to Rule 424(b).

(b) *Representations and Warranties.* The representations and warranties of each of the Company and the Guarantor contained herein shall be true and correct on the date hereof and on and as of the Closing Date; and the statements of each of the Company and the Guarantor and their respective officers made in any certificates delivered pursuant to this Agreement shall be true and correct on and as of the Closing Date.

(c) *No Downgrade.* Subsequent to the earlier of (i) the Time of Sale and (ii) the execution and delivery of this Agreement, (A) no downgrading or withdrawal shall have occurred in the rating accorded the Securities or any other debt securities or preferred stock issued or guaranteed by the Guarantor or any of its subsidiaries (including the Company) by any “nationally recognized statistical rating organization,” as such term is defined under Section 3(a)(62) under the Exchange Act; and (B) no such organization shall have publicly announced that it has under surveillance or review, or has changed its outlook with respect to, its rating of the Securities or of any other debt securities or preferred stock issued or guaranteed by the Guarantor or any of its subsidiaries (including the Company), other than an announcement with positive implications

of a possible upgrading.

(d) *No Material Adverse Change.* No event or condition of a type described in Section 3(i) hereof shall have occurred or shall exist, which event or condition is not described in each of the Registration Statement, the Time of Sale Information and the Prospectus, in each case, for the avoidance of doubt, excluding any amendment or supplement thereto, the effect of which in the judgment of the Representatives makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities on the terms and in the manner contemplated by this Agreement, the Time of Sale Information and the Prospectus.

(e) *Officer's Certificate.* The Representatives shall have received, on and as of the Closing Date, a certificate of an officer of each of the Company and the Guarantor who has specific knowledge of the Company's and the Guarantor's financial matters and which is satisfactory to the Representatives (i) confirming that such officer has carefully reviewed the Registration Statement, the Time of Sale Information and the Prospectus and, to the best knowledge of such officer, the representations set forth in Sections 3(b) and 3(d) hereof are true and correct on and as of the Closing Date; (ii) confirming that the other representations and warranties of the Company and the Guarantor in this Agreement are true and correct on and as of the Closing Date, and that each of the Company and the Guarantor has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date; and (iii) to the effect set forth in paragraphs (a), (c) and (d) above.

(f) *Comfort Letters and CFO Certificates.* On the date of this Agreement and on the Closing Date, (i) PricewaterhouseCoopers LLP shall have furnished to the Representatives, at the request of the Guarantor, letters, dated the respective dates of delivery thereof and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives, containing statements and information of the type customarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained or incorporated by reference in each of the Registration Statement, the Time of Sale Information, the Prospectus, and any amendment or supplement thereto; provided that the letter delivered on the Closing Date shall use a "cut-off" date no more than three business days prior to the Closing Date; and (ii) the Guarantor shall have furnished to the Representatives a certificate, dated the respective dates of delivery and addressed to the Representatives, of its chief financial officer with respect to certain financial data contained in the Registration Statement, the Time of Sale Information and the Prospectus, and any amendment or supplement thereto, providing "management comfort" with respect to such information, in form and substance reasonably satisfactory to the Representatives.

(g) *Opinion and "Rule 10b-5 Statement" of Counsel for the Company.* DLA Piper LLP (US) and DLA Piper Nederland N.V., counsel for the Company and the Guarantor, shall have furnished to the Representatives, at the request of the Company and the Guarantor, their written opinions and DLA Piper LLP (US) shall have furnished to Representatives, at the request of the Company and the Guarantor, a "Rule 10b-5 statement," dated the Closing Date and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives, to the effect set forth in Annex B hereto.

(h) *Opinion and "Rule 10b-5 Statement" of Counsel for the Underwriters.* The Representatives shall have received, on and as of the Closing Date, an opinion and a "Rule 10b-5 statement" of Sidley Austin LLP, counsel for the Underwriters, with respect to such matters as the Representatives may reasonably request, and such counsel shall have received such documents and information as it may reasonably request to enable it to pass upon such matters.

(i) *No Legal Impediment to Issuance.* No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, state or foreign governmental or regulatory authority that would, as of the Closing Date, prevent the issuance or sale of the Securities; and no injunction or order of any federal, state or foreign court

shall have been issued that would, as of the Closing Date, prevent the issuance or sale of the Securities.

(j) *Good Standing.* The Representatives shall have received, on and as of the Closing Date, satisfactory evidence of the good standing of each of the Company and the Guarantor in its jurisdiction of organization and its good standing in such other jurisdictions as the Representatives may reasonably request, in each case in writing or any standard form of telecommunication, from the appropriate governmental authorities of such jurisdictions.

(k) *Effectuation of the Notes.* The Notes shall have been properly effectuated by the relevant CSK.

(l) *Clearance and Settlement.* The Securities shall be eligible for clearance and settlement through the facilities of Clearstream and Euroclear.

(m) *Listing.* The Notes shall have been approved by the ISE for listing on the GEM, subject to notification of official issuance thereof.

(n) *Indenture and Securities.* The Base Indenture (including the Guarantee) shall have been duly executed and delivered by a duly authorized officer of the Company, the Guarantor and the Trustee; the Supplemental Indenture shall have been duly executed and delivered by a duly authorized officer of the Company, the Guarantor, the Trustee; the Paying Agency Agreement shall have been duly executed and delivered by a duly authorized officer of the Company, the Guarantor, the Paying Agent and the Trustee; the ICSD Agreement shall have been duly executed and delivered by a duly authorized officer of the Company, Euroclear and Clearstream; and the Notes shall have been duly executed and delivered by a duly authorized officer of the Company and duly authenticated by the Trustee and effectuated by the CSK.

(o) *Additional Documents.* On or prior to the Closing Date, each of the Company and the Guarantor shall have furnished to the Representatives such further certificates and documents as the Representatives may reasonably request.

All opinions, letters, certificates and evidence mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Underwriters.

7. Indemnification and Contribution.

(a) *Indemnification of the Underwriters.* Each of the Company and the Guarantor agrees to indemnify and hold harmless each Underwriter, its affiliates, directors and officers and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), including any Rule 430 Information deemed to be a part thereof, or caused by any omission or alleged omission to state therein a material fact required to be stated therein

or necessary in order to make the statements therein, not misleading, (ii) or any untrue statement or alleged untrue statement of a material fact contained in the Prospectus, any Preliminary Prospectus, any Issuer Free Writing Prospectus or any Time of Sale Information (or any amendment or supplement thereto), or any road show as defined in Rule 433 under the Securities Act, or caused by any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Underwriter furnished to the Company or the Guarantor in writing by such Underwriter through the Representatives expressly for use therein.

(b) *Indemnification of the Company and the Guarantor.* Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless each of the Company and the Guarantor, their respective directors and officers who signed the Registration Statement and each person, if any, who controls the Company or the Guarantor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Underwriter furnished to the Company and the Guarantor in writing by such Underwriter through the Representatives expressly for use in the Registration Statement (or any amendment thereto), including any Rule 430 Information deemed to be a part thereof, the Prospectus, any Issuer Free Writing Prospectus or any Time of Sale Information (or any amendment or supplement thereto), it being understood and agreed that the only such information consists of the following paragraphs in the Preliminary Prospectus and the Prospectus: the information in the sixth and seventh paragraphs and the third sentence of the eighth paragraph under the caption "Underwriting (Conflicts of interest)."

(c) *Notice and Procedures.* If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such person (the "Indemnified Person") shall promptly notify the person against whom such indemnification may be sought (the "Indemnifying Person") in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above, except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person, be counsel to the Indemnifying Person) to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 7 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees

and expenses of such counsel shall be at the expense of such Indemnified Person unless: (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm for any Underwriter, its affiliates, directors and officers and any control persons of such Underwriter shall be designated in writing by the Representatives and any such separate firm for the Company and the Guarantor, their respective directors and officers who signed the Registration Statement and any control persons of the Company or the Guarantor shall be designated in writing by the Guarantor. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Indemnifying Person of such request and (ii) the Indemnifying Person shall not have reimbursed the

Indemnified Person in accordance with such request prior to the date of such settlement. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) *Contribution.* If the indemnification provided for in paragraph (a) or (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantor on the one hand and the Underwriters on the other from the offering of the Securities or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company and the Guarantor on the one hand and the Underwriters on the other in connection with the statements or omissions that resulted in such losses, claims,

damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Guarantor on the one hand and the Underwriters on the other shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Company and the Guarantor from the sale of the Securities and the total underwriting discounts received by the Underwriters in connection therewith, in each case as set forth in the table on the cover of the Prospectus, bear to the aggregate initial offering price of the Securities. The relative fault of the Company and the Guarantor on the one hand and the Underwriters on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and the Guarantor or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) *Limitation on Liability.* Each of the Company, the Guarantor and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any reasonable and documented out-of-pocket legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 7, in no event shall an Underwriter be required to contribute any amount in excess of the underwriting discounts received by such Underwriter with respect to the Securities underwritten by it and distributed to investors. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 7 are several in proportion to their respective purchase obligations hereunder and not joint.

(f) *Non-Exclusive Remedies.* The remedies provided for in this Section 7 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

8. Effectiveness of Agreement. This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

9. Termination. This Agreement may be terminated in the absolute discretion of the Representatives, by notice to the Company or the Guarantor, if after the execution and delivery of this Agreement and on or prior to the Closing Date: (i) trading generally shall have been suspended or materially limited on the New York Stock Exchange ("NYSE"), the ISE or the over-the-counter market, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required by, the NYSE or the ISE or by order of the Commission, the Financial Industry Regulatory Authority or any other governmental authority; (ii) trading of any securities issued or guaranteed by the Company or the Guarantor shall have been suspended or materially limited by the Commission, the NYSE or the ISE or in any over-the-counter market; (iii) a general moratorium on commercial banking activities shall have been

declared by federal, New York State or Dutch authorities; (iv) there shall have occurred any outbreak or escalation of hostilities or any change in financial markets or any other calamity or crisis, either within or outside the United States, that, in the judgment of the Representatives, is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities on the terms and in the manner contemplated by this Agreement, the Time of Sale Information and the Prospectus; or (v) a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States or in Europe.

10. Defaulting Underwriter.

(a) If, on the Closing Date, any Underwriter defaults on its obligation or, in accordance with the exercise of Bail-in Powers described in Section 18 hereof, is no longer obligated to purchase the Securities that it has agreed to purchase hereunder, the remaining Underwriters may in their discretion arrange for the purchase of such Securities by other persons satisfactory to the Company on the terms contained in this Agreement. If, within 36 hours after any such default or, pursuant to an exercise of Bail-in Powers described in Section 18 hereof, failure to purchase the Securities by any Underwriter, the remaining Underwriters do not arrange for the purchase of such Securities, then the Company and the Guarantor shall be entitled to a further period of 36 hours within which to procure other persons satisfactory to the remaining Underwriters to

purchase such Securities on such terms. If other persons become obligated or agree to purchase the Securities of a defaulting Underwriter or of an Underwriter no longer obligated to purchase in accordance with the exercise of Bail-in Powers described in Section 18 hereof, either the remaining Underwriters, on the one hand, or the Company and the Guarantor, on the other hand, may postpone the Closing Date for up to five full business days in order to effect any changes that in the opinion of counsel for the Company and the Guarantor or counsel for the Underwriters may be necessary in the Registration Statement, the Time of Sale Information and the Prospectus or in any other document or arrangement, and each of the Company and the Guarantor agrees to promptly prepare any amendment or supplement to the Registration Statement, the Time of Sale Information and the Prospectus that effects any such changes. As used in this Agreement, the term “Underwriter” includes, for all purposes of this Agreement unless the context otherwise requires, any person not listed in Schedule 1 hereto that, pursuant to this Section 10, purchases Securities that a defaulting Underwriter, or an Underwriter no longer obligated to purchase in accordance with the exercise of Bail-in Powers described in Section 18 hereof, agreed but failed to purchase.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter, or of an Underwriter no longer obligated to purchase in accordance with the exercise of Bail-in Powers described in Section 18 hereof, by the remaining Underwriters by other persons satisfactory to the Company and the Guarantor as provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased does not exceed one-eleventh of the aggregate principal amount of all the Securities, then the Company shall have the right to require each remaining Underwriter to purchase the principal amount of Securities that such Underwriter agreed to purchase hereunder plus such Underwriter’s pro rata share (based on the principal amount of Securities that such Underwriter agreed to purchase hereunder) of the Securities of a defaulting Underwriter, or of an Underwriter no longer obligated to purchase in

accordance with the exercise of Bail-in Powers described in Section 18 hereof, for which such arrangements have not been made.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter, or of an Underwriter no longer obligated to purchase in accordance with the exercise of Bail-in Powers described in Section 18 hereof, by the remaining Underwriters by other persons satisfactory to the Company and the Guarantor as provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased exceeds one-eleventh of the aggregate principal amount of all the Securities, or if the Company and the Guarantor shall not exercise the right described in paragraph (b) above, then this Agreement shall terminate without liability on the part of the remaining Underwriters. Any termination of this Agreement pursuant to this Section 10 shall be without liability on the part of the Company and the Guarantor, except that each of the Company and the Guarantor will continue to be liable for the payment of expenses as set forth in Section 11 hereof and except that the provisions of Section 7 hereof shall not terminate and shall remain in effect.

(d) Nothing contained herein shall relieve a defaulting Underwriter, or an Underwriter no longer obligated to purchase the Securities in accordance with the exercise of Bail-in Powers described in Section 18 hereof, of any liability it may have to the Company and the Guarantor or any remaining Underwriter for damages caused by its default.

11. Payment of Expenses.

(a) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement is terminated, each of the Company and the Guarantor agrees to pay or cause to be paid all costs and expenses incident to the performance of its obligations hereunder, including without limitation: (i) the costs incident to the authorization, issuance, sale, preparation and delivery of the Securities and any taxes payable in that connection; (ii) the costs incident to the preparation, printing and filing under the Securities Act of the Registration Statement, each Preliminary Prospectus, any Issuer Free Writing Prospectus, the Time of Sale Information and the Prospectus (including all exhibits, amendments and supplements thereto) and the distribution thereof; (iii) the costs of reproducing and distributing each of the Transaction Documents; (iv) the fees and expenses of the Company’s and the Guarantor’s counsel and independent accountants; (v) the fees and expenses incurred in connection with the registration or qualification and determination of eligibility for investment of the Securities under the laws of such jurisdictions as the Representatives may designate and the preparation, printing and distribution of a Blue Sky Memorandum (including the related reasonable and documented out-of-pocket fees and expenses of counsel for the Underwriters in an aggregate amount not to exceed \$10,000); (vi) any fees charged by rating agencies for rating the Securities; (vii) the fees and expenses of the Trustee and the Paying Agent (including related fees and expenses of any counsel to such parties); (viii) all expenses and application fees incurred in connection with any filing with, and clearance of the offering by, the Financial Industry Regulatory Authority, and the approval of the Securities for book-entry transfer through the facilities of Clearstream and Euroclear; (ix) the fees and expenses incurred in connection with the listing of the Securities on the GEM; and (ix) all expenses incurred by the Company in connection with any “road show” presentation to potential investors. Except as otherwise stated in this Section 11, the Underwriters shall pay the fees and disbursements of their counsel, and the Company shall have

no liability for such fees and disbursements. Each Underwriter agrees severally to pay the portion of such expenses represented by such Underwriter’s pro rata share (based on the proportion that the principal amount of Securities set forth opposite each Underwriter’s name in Schedule 1 bears to the aggregate principal amount of Securities set forth opposite the names of all Underwriters) of the Securities (with respect to each Underwriter, the “Pro Rata Expenses”). Notwithstanding anything contained in the International Capital Markets Association Primary Market Handbook, each Underwriter hereby agrees that the Settlement Lead Manager (as defined in Section 17 hereof) may allocate the Pro Rata Expenses to the account of such underwriter for settlement of accounts (including payment of such Underwriter’s fees by the Settlement Lead Manager) as soon as practicable but in any case no later than 90 days following the Closing Date.

(b) If (i) this Agreement is terminated pursuant to Section 9, (ii) the Company or the Guarantor for any reason fail to tender the Securities for delivery to the Underwriters or (iii) the Underwriters decline to purchase the Securities for any reason permitted under this Agreement, each of the Company and the Guarantor agrees to reimburse the Underwriters for all documented out-of-pocket costs and expenses (including the fees and expenses of their counsel) reasonably incurred by the Underwriters in connection with this Agreement and the offering

contemplated hereby.

12. Persons Entitled to Benefit of Agreement. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and any controlling persons referred to herein, and the affiliates of each Underwriter referred to in Section 7 hereof. Nothing in this Agreement is intended or shall be construed to give any other person any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein. No purchaser of Securities from any Underwriter shall be deemed to be a successor merely by reason of such purchase.

13. Survival. The respective indemnities, rights of contribution, representations, warranties and agreements of the Company, the Guarantor and the Underwriters contained in this Agreement or made by or on behalf of the Company, the Guarantor or the Underwriters pursuant to this Agreement or any certificate delivered pursuant hereto shall survive the delivery of and payment for the Securities and shall remain in full force and effect, regardless of any termination of this Agreement or any investigation made by or on behalf of the Company, the Guarantor or the Underwriters.

14. Certain Defined Terms. For purposes of this Agreement, (a) except where otherwise expressly provided, the term “affiliate” has the meaning set forth in Rule 405 under the Securities Act; (b) the term “business day” means any day other than a day on which banks are permitted or required to be closed in New York City or London; and (c) the term “subsidiary” has the meaning set forth in Rule 405 under the Securities Act.

15. Compliance with USA Patriot Act. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company and the Guarantor, which information may include the name and

address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

16. Judgment Currency. Each of the Company and the Guarantor agrees to indemnify each Underwriter against any loss incurred by such Underwriter as a result of any judgment or order being given or made for any amount due hereunder and such judgment or order being expressed and paid in a currency (the “Judgment Currency”) other than the euro and as a result of any variation as between (i) the rate of exchange at which the euro amount is converted into the Judgment Currency for the purpose of such judgment or order and (ii) the rate of exchange at which such Underwriter is able to purchase euros with the amount of the Judgment Currency actually received by such Underwriter. The foregoing indemnity shall constitute a separate and independent obligation of the Company and the Guarantor and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term “rate of exchange” shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency.

17. Agreement Among Underwriters. The execution of this Agreement by all parties will constitute the Underwriters’ acceptance of the ICMA Agreement Among Managers Version 1/New York Schedule subject to any amendment notified to the Underwriters in writing at any time prior to the execution of this Agreement. References to the “Managers” shall be deemed to refer to the Underwriters, references to the “Lead Manager” shall be deemed to refer to J.P. Morgan Securities plc, Merrill Lynch International and Wells Fargo Securities International Limited and references to “Settlement Lead Manager” shall be deemed to refer to J.P. Morgan Securities plc. As applicable to the Representatives, Clause 3 of the ICMA Agreement Among Managers Version 1/New York Schedule shall be deemed to be deleted in its entirety and replaced with Section 10 of this Agreement.

18. Contractual Recognition of Bail-in. Notwithstanding and to the exclusion of any other term of this Agreement or any other agreements, arrangements, or understanding between any Underwriter, the Company and the Guarantor, each of the Company and the Guarantor acknowledges and accepts that a BRRD Liability arising under this Agreement may be subject to the exercise of Bail-in Powers by the Relevant Resolution Authority, and acknowledges, accepts, and agrees to be bound by:

- (ii) the conversion of all, or a portion, of the BRRD Liability into shares, other securities or other obligations of such Underwriter or another person, and the issue to or conferral on the Company or the Guarantor of such shares, securities or obligations;
- (iii) the cancellation of the BRRD Liability; and

(iv) the amendment or alteration of any interest, if applicable, thereon, the maturity or the dates on which any payments are due, including by suspending payment for a temporary period.

(b) the variation of the terms of this Agreement, as deemed necessary by the Relevant Resolution Authority, to give effect to the exercise of Bail-in Powers by the Relevant Resolution Authority.
